

The Doctoral Students' Office will help you set up and maintain your online doctoral file!

heiDOCS

The heiDOCS portal – Your online doctoral file

The online doctoral file within the heiDOCS portal accompanies Heidelberg doctoral candidates throughout their doctoral studies - from registration to the publication of the doctoral thesis and graduation. Registration in the portal is the first step and is part of your application for admission as a doctoral candidate to your faculty. You can register as soon as you have completed and signed the doctoral agreement with your supervisor. You can access your online doctoral file at all times through the portal.
