HAIMAIL
CHANGE PASSWORD

1) Login to your HAImail via https://haimail.alumni.uni-heidelberg.de/

2) After logging in, click on the "wheel" symbol in the top right-hand corner

   and then click on "Options" in the selection that opens.
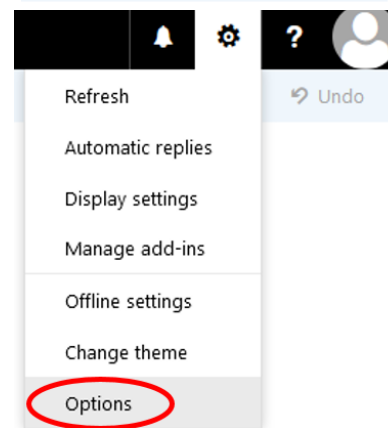

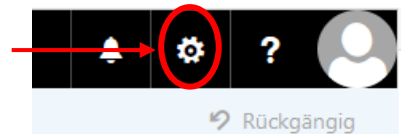

3) In the menu that appears on the left, click on "General" at the top, then on "My account".
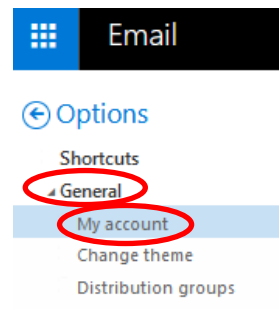

4) In the lower third of the main area on the right you can now click on the link "Change your password" and then enter a new password for your HAImail.

If you have any further questions, please do not hesitate to contact the HAImail administration at postmaster@alumni.uni-heidelberg.de.
