In addition to your explanations of the reasons for exceeding the maximum funding period, the following documents must be submitted:

In case of study delay due to the Corona pandemic:

Certificate of enrolment of the winter semester 2021/2022 showing that you were enrolled at Heidelberg University and not on leave of absence.

In case of study delay due to illness(es) or severe disability:

Corresponding doctor's certificate(s) on the duration and extent of the restrictions regarding the ability to study.

In case of study delay due to participation as an elected member in a university committee or in a committee of student self-government:

Certificate showing the duration of the participation, the function performed and the temporal expenditure.

In case of pregnancy or parenting:

Submission of birth certificate, for example.

In case of subject-related stays abroad with no leave of absence:

Information on the subject-related stay abroad. Corresponding documents, e.g. official confirmation of the stay abroad indicating the time period as well as a certificate of enrolment for the corresponding semester.
