

# Lieseberg-Kolloquium

## Wintersemester 2018

Montag,  
29.10.2018  
kl. HS, 14 c.t.

**Dr. Franziska Lissel**  
*Polymers as Functional Matrices for MALDI MS and MS Imaging*  
Leibniz Institut für Polymerforschung, Dresden

Mittwoch,  
31.10.2018  
kl. HS, 14 c.t.

**Prof. Hairong Guan**  
*Hydrogenation Reactions Catalyzed by PNP Pincer Complexes and Related Species*  
University of Cincinnati, Stella and Hoke S. Greene Chair in Catalysis

Mittwoch,  
07.11.2018  
kl. HS, 17 c.t.

**Prof. Ivan Aprahamian**  
*Hydrazone-Based Switches and Functional Materials*  
Dartmouth College, Hanover USA (NH), Department of Chemistry

Montag,  
12.11.2018  
kl. HS, 14 s.t.

**Dr. Lutz Greb**  
*Ligand-control for enhanced reactivity of silicon(IV)*  
Anorganisch-Chemisches Institut, Universität Heidelberg

Montag,  
26.11.2018  
kl. HS, 14 c.t.

**Prof. Dr. Doris Kunz**  
*Koordinationschemie und katalytische Anwendungen elektronenreicher Carbenkomplexe*  
Institut für Anorganische Chemie, Universität Tübingen

Montag,  
10.12.2018  
kl. HS, 14 c.t.

**PD Dr. Martin Breugst**  
*From Molecular Iodine to Iodinated Azolium Ions: Halogen Bonding in Organocatalysis*  
Mathematisch-Naturwissenschaftliche Fakultät, Universität zu Köln

Montag,  
14.01.2019  
kl. HS, 14 c.t.

**Prof. Dr. Dirk Guldi**  
*Up- and down converting photons in pentacene materials*  
Department of Chemistry and Pharmacy, Friedrich Alexander University Erlangen-Nürnberg

Montag,  
28.01.2019  
kl. HS, 14 c.t.

**Prof. Stéphane Bellemin-Lapponaz**  
*Metallopolymers: New Multifunctional Materials*  
Département des Matériaux Organiques, Institut de Physique et Chimie des Matériaux de Strasbourg

Montag,  
04.02.2019  
kl. HS, 14 c.t.

**Prof. Dr. Christian Müller**  
*The Multifaceted Chemistry of Aromatic Phosphorus Heterocycles*  
Institut für Chemie und Biochemie, Freie Universität Berlin

Mittwoch  
27.02.2019  
kl. HS, 14 c.t.

**Dr. Ori Gidron**  
*Organic Electronic Materials – Planar and Twisted*  
Institute of Chemistry, The Hebrew University of Jerusalem
