

STATEMENT OF CONSENT for the SIED project to use my personal information in line with [Regulation \(EU\) 2016/679](#) on the protection of natural persons with regard to the processing of personal data and on the free movement of such data. (General Data Protection Regulation or GDPR)

I give my consent to the following:

1. The SIED project takes the protection of your personal data very seriously. When we process the personal data that we collect we always observe the rules laid down in the applicable data protection laws. Your data will not be disclosed publicly by us, nor transferred to any third parties without your consent. The information (name, surname, date of birth, email, home address, name and address of institution, role within the institution, resumé) that SIED collects, will be used exclusively for the purposes of this project, as laid out below.

The provision of personal data is mandatory for the management of the project and associated activities.

2. The SIED project collects and uses your personal information to:
 - Manage contact details of all participants in the project
 - Send you emails specifically related to your participation in the project
 - Facilitate exchange between project participants
3. By submitting your personal information, you also agree that the SIED project may use your image and audio (this includes still images, moving images and related audio) collected in the SIED curriculum for marketing purposes, without expectation of compensation or any other remuneration, now or in the future.
4. SIED only keeps your personal data for the time necessary to fulfil the purpose of collection or further processing.

5. All data is stored by SIED in the project database, in the Heidelberg University server.

6. You have the right to:
 - a. obtain access to the personal data held about you;
 - b. ask for incorrect, inaccurate or incomplete personal data to be corrected;
 - c. request that your data be erased when it's no longer needed;

7. For any questions regarding this Statement, please refer to the contact person at University of Heidelberg: mona.sabbarth@dwi.uni-heidelberg.de
