

APPENDIX FIGURES – PULLOUT MAPS OF BANGLADESH, MYANMAR, AND PAKISTAN

These figures represent zoomed in versions of each basket layer and composite vulnerability in the central panel. The values are not re-scaled to the country-level so still represent comparisons to the wider 11 country region. Contact the authors if you would like to review pullout maps of other countries.

Appendix Figure 1: Bangladesh

Appendix Figure 2: Myanmar

Appendix Figure 3: Pakistan
