# BLOCK COURSE **THE ECONOMY OF LATIN AMERICA**

organized by the Center for Iberoamerica and the Institute of Translation and Interpreting, Heidelberg University

**Lecturer: Prof. Dr. Miguel Carrera Troyano**, Professor of Applied Economics at the University of Salamanca (Spain)

The course sets out to provide students with a better understanding of the economy of Latin America. Four main topics will be covered: a) Diversity in Latin America. Main challenges of the Latin American economies; b) The evolution of economic policies, from protectionism to the Washington Consensus; c) Poverty and inequality in Latin America; d) Openness, trade and development in Latin America. The challenge of commodity price cycles.

The course is open to B.A. and M.A students of the Faculty of Modern Languages, the Faculty of Economics and Social Sciences, the Faculty of Law and the Institute of Geography.

Registration via LSF required.
