

Freelance Translator and Summarizer (m/f/d)

Flexible early morning or late shift work

PRIME Research is currently looking for freelance translators with excellent language and writing skills.

Your tasks

You are working within a global translator team for global companies and brands. You are translating and summarizing newspaper articles from various languages into English (native level). Topics include economy and politics, automotive, aviation and tech.

Work hours for early birds

On weekdays between 4 am CET and 10 am CET (depending on specific project). Flexible work hours on Saturdays. Sundays between 5 am and 10 am CET (rotating system).

Work hours for nighthawks

From Sunday to Thursday between 7 pm CET and noon CET (rotating system).

Desired source languages

- Dutch
- French
- German
- Italian
- Spanish

Relevant Qualifications

- Excellent language and writing skills
- Attention to detail, willingness to follow guidelines and share feedback
- Working under high time pressure
- Good Internet and computer skills
- Being comfortable with teamwork
- Flexible work schedule

Language Testing Requirements

All candidates will be required to take and pass a speed and summarizing test administered by PRIME Research.

Our offer

- Flexible work hours
- Working from home

If you are interested in working for us, please get in touch with the contact mentioned below. Please provide your CV and contact details by e-mail. We will then get in touch with you to arrange a speed and quality test.
