The Ritual and Mythology of the Chinese Triads: Creating an Identity

Leiden: Brill Academic Publishers, 517 p.

(1998)

ISBN: 978-9004119444

Abstract:

This study presents an investigation into the phenomenon of the Chinese Triad, its rituals and mythological lore and its meanings and functions. Using a variety of primary and secondary sources, the author interprets Triad myth and ritual in their Chinese religious context.
