**General terms and conditions
for the performance
of unremunerated work
in a University department or institution**

The approval to perform unremunerated work in a University department/institution shall not constitute either an employment contract or an educational status under labour law.

You will work in a university department/institution of your own volition and do so at your own request. Consequently there is no employment obligation and no remuneration at all shall be paid.

The work can be ended at any time by both sides before the period applied for has expired.

There shall be no claim to carryover into a service contract or employment contract.

You shall be required to act in keeping with the purpose of your presence at the University and to obey instructions in this regard issued by the department/institution director or his/her representatives.

Any inventions that you make during the period of your unremunerated work at the university department/institution shall fall under the law on employee inventions (ArbNErfG) in the respective applicable version. During the period of unremunerated work, inventions shall be regarded as official university inventions.

During and after the conclusion of your time in the university department/institution you shall be obliged to maintain confidentiality about all the facts connected to the university's research activity that are only known to a restricted circle of people and are to be kept secret as appropriate to the justified scientific or economic interests of the university. This shall apply particularly to patentable findings and facts related to signed cooperation agreements.

Publications on the basis of your work in the university department/institution shall require the prior written approval of the department director. That must include a reference to the nature of your cooperation with the university department/institution.

Without the approval of the department director you may not procure knowledge, copies, specimens, etc. of official documents, drawings, figures, substances, materials, research methods, manufacturing methods, etc. except for work purposes.

At the latest on conclusion of your period of work at the university, you shall be obliged to return service documents, drawings, figures etc. as well as notes and records about procedures and processes that you have obtained during your time spent in the university department/institution.
